IMPACT SNAPSHOT

Directed over \$1.5M in revitalization funding to support neighborhood planning, affordable housing, and land redevelopment within a historically disinvested community in Macon, GA.

Spearheaded the Pleasant Hill Action Plan, developing a framework for monitoring, evaluation, and stakeholder engagement resulting in federal funding to improve accessibility for residents.

Facilitated strategic planning meetings and public engagement sessions, gathering community based feedback.

Co-led the redevelopment of a 17-acre linear park, transforming underutilized land into a vibrant community asset through multi-sector partnerships and inclusive public design.

DIFFERENTIATORS

- Manage complex projects across sectors.
- Co-create solutions with community voices.
- Connect people, resources, and opportunities for lasting impact.
- Deliver measurable results with multi-million-dollar funding and federal grants.
- Bring creative, strategic, and transformative thinking to every project.
